### Grand Prix Qualification

There will be 32 qualifiers for the Grand Prix this season. This will be made up from the top 10 in the Combined Singles Rankings. The remaining 22 players will be made up from the next top two players in the rankings from each team. Therefore if a team has say 2 players who are in the top ten, then their next 2 highest ranked players outside of the top 10 will qualify.

The top 8 players will be seeded in the GP draw. Most 2-0 wins will settle tied positions. (then 2-1 wins/1-2 defeats if still tied)

Denotes, players currently the top two players qualifying from each team for the Grand Prix

Denotes, top 10 players qualifying for the Grand Prix
